Major.

I have the honor to respectfully recommend Lieut. Col. Elias Wright of my regiment for promotion in one of the regiments of Colored Troops now being organized by the War Department.

Col. Wright has been connected with my regt. ever since its organization and is in my opinion a most reliable and efficient officer. Since the operations about Petersburg began he has been much of the time in command of the regt. and has shown himself competent, brave and cool upon the battle field.

He is regt. deployed as skirmishers

were the first to reach the Enemies works  
at Petersburg on the 15<sup>th</sup> ult. and much  
credit is due him for the good conduct  
of his men that day.

I am, with great respect,

Your Mo: Obedt: Servant.

Restley Wright Driver  
Co. B 1st Reg't of U. S. Col. Troops

## VOLUNTEERS.

And July 1st 1865

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Private John Mumble

1871

Reg't of U.S. Colored Troops

VOLUNTEERS.

Died Dec 1 - 63

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

# ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

## ARMY REGULATIONS—EDITION OF 1861.

### DECEASED SOLDIERS.

Par. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

# ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

## DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of \_\_\_\_\_, late of company \_\_\_\_\_, regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186\_\_\_\_." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5,) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of \_\_\_\_\_, late of company \_\_\_\_\_, regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186\_\_\_\_."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

 FINAL STATEMENT  
 A. 4  
 OF

*Pr William Gung*  
 1st Reg't of U.S. Troops

VOLUNTEERS.

*Rec'd Dec 27 1864*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State Authorities, and not by the United States, will not be entered on his statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

# ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

## ARMY REGULATIONS—EDITION OF 1861.

### DECEASED SOLDIERS.

Par. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of —, late of company (—) — regiment of —, who died at —, the — day of —, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of —, late of company (—) — regiment of —, who died at —, the — day of —, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.
